Re: Feedback from Spivey Hall Young People's Concert

Dear Lynn:

Now that our 2008-2009 Young People's Concert season has come to a close, I'd like to thank you again for Troika Balalaikas's performance at Spivey Hall. This year we welcomed 14,500 elementary, middle, and high school students from public, private, and home schools as well as day-care centers to Spivey Hall for a YPC. Thank you for helping to make that possible!

We provide response forms to all teachers and parents who register to attend a YPC and hope that these individuals take the time to write down their impressions of our various artists and general experience at Spivey Hall. I have enclosed a copy of each of the completed response forms that we received from teachers and parents who attended the performance of Troika Balalaikas for your consideration.

If you have any questions, please feel free to let me know. I wish you well as you continue to educate and entertain the next generation of music lovers!

Best,
